OLD BUSINESS: The committee needs a co-chair and a secretary.

NEW BUSINESS: The possibility of a Security Committee was discussed, in light of the recent Active Shooter Training. Do we need people at the door during the Christkindlmarkt? Should the Security Committee be an offshoot of the F&H Committee? Tom Kutas commented that we should encourage congregants to wear their ID Badges. With security in mind, identification would add to the congregation comfort level. Magnetic panels could be installed at the entrances to the Main Sanctuary and Chapel for badge storage. Guy suggested one person from each church committee to be on the Safety Committee.

The meeting was adjourned at 10:03 am with the Lord's Prayer.

The next F & H meeting will be Saturday, January 19, 2019

Respectfully submitted by Marty Kutas.
